

红玫瑰 与 白玫瑰

张爱玲

“娶了红玫瑰，久而久之，
红的变了墙上的一抹蚊子血，
白的还是‘床前明月光’；
娶了白玫瑰，白的便是衣服上粘的一粒
饭黏子，红的却是心口上一颗朱砂痣。”

话剧《红玫瑰与白玫瑰》首演于 2008 年，由中国国家话剧院出品，田沁鑫执导，罗大军编剧。该剧改编自张爱玲同名小说，讲述了留洋归国的有为青年佟振保，爱上了老同学王士洪的妻子——活泼美艳的王娇蕊，但最终却囿于社会的眼光和家庭的压力选择了温婉和顺的孟烟鹂结婚。婚后的振保渐渐不满于烟鹂的古板乏味，愈发怀念娇蕊的火热与风情。他开始变得暴躁，开始作践自己，对周围的人和事充满怨怼，直到他再次遇见王娇蕊……

Red Rose White Rose, produced by the National Theatre of China and premiered in 2008, is written by Dajun Luo and directed by Qinxin Tian. The play is adapted from Eileen Chang's same-name novel, telling the story of an accomplished young man Zhenbao Tong who fell in love with his friend Shihong Wang's wife — the lively and beautiful woman, Jiaorui Wang. However, Zhenbao finally chose to marry the spotless woman Yanli Meng as he was not willing to risk his good reputation. After marriage, Zhenbao gradually became dissatisfied with Yanli's the boringness and more and more missed the passionate old time with Jiaorui. He became irritable, humiliated himself, and was full of resentment towards people around him. Until one day, he met Jiaorui again...

该剧采用两人分饰一角的形式，从不同角度诠释了佟振保、王娇蕊和孟烟鹂三个人物。在尊重原作情节的基础上，加强对人物心理活动的展现，突出人物的复杂性，提升立体感。同时，该剧采用了多元的表现手法，通过调整叙事顺序，设计肢体语言，以及别出心裁的舞台设计，给观众带来了不同于传统话剧的观剧体验。

There are two performers playing each main character in this play, which vividly depicts the characters' complex psychological activities and enables the interpretation of the characters from multiple angles. Meanwhile, the play exploits a variety of techniques including adjusting the order of storytelling, designing body language, and ingenious stage design to bring audiences a different viewing experience than traditional drama.

这样一部充满着先锋色彩的话剧，对于戏言人来说是一个全新的尝试，也是一个巨大的挑战。在筹备的过程中，我们有意将原作中探讨的婚姻与爱情的话题延伸至人生的多个方面。除了演员的表演本身，我们也通过舞美来展现每个人心中都存在着的二分世界。现实与理想，理智与欲望，人生中的每一个选择都可以看作是一场红白玫瑰的较量，而输赢如何则全凭一个人的内心。对现实的不满可以让“白月光”变成“饭粘子”，而对不得的觊觎也可以让“蚊子血”变成“朱砂痣”。唯有珍惜眼下，爱我所有，才能从无穷尽的辗转与纠结中解脱，获得真正的幸福。

Such a play full of avant-garde color is a brand-new attempt and a huge challenge for Saying Theatre. In the preparation process, we intentionally extended the topics of love and marriage discussed in the original work to many other aspects of life. In addition to the performance, we also show the dichotomy that exists in everyone's heart through stage design. Every choice in our life can be regarded as a contest between the red rose and the white rose, and finally, we are the only judge of winning and losing. The dissatisfactions with reality can turn "beautiful silver moonlight at the bedside" into "ugly rice stuck on the clothes". The desperate desire for illusory perfection can also turn "disturbing mosquito blood on the wall" into "unforgettable beauty mark on the chest". Only by cherishing the present and loving what we own can we get rid of the endless self-torture and obtain real happiness.

愿您享受戏言奉上的这部诚意之作，愿它在您心中播种快乐和幸福。

I hope you enjoy the show and may it bring you the key to real happiness.
